PROFILE

Strategy & Operations leader with 6+ years of experience across consulting (**Bain & Company**) and high-growth technology companies (**Blidz**, **Wolt**, **Voi**). Track record delivering **€10M+ growth** and **€7M+ cost savings** through cross-functional execution across **12 European markets**. Strong analytical background with expertise in SQL, financial modelling, and data-driven decision-making. Holds a PhD from Durham University.

PROFESSIONAL EXPERIENCE

Blidz — Helsinki, Finland
May 2026 – Present

Chief of Staff to the CEO

- Strategic partner to the CEO on prioritisation, preparation for key decisions, and protecting executive time for the highest-impact work
- Drive cross-functional execution: coordinate projects across departments, follow up on actions, and track progress against company-wide goals
- Bridge the CEO and leadership team—translate strategy into clear messaging and keep stakeholders aligned
- Support Series A fundraising; own investor and board relations; hire for key roles (e.g. Chief Marketing Officer); and contribute to growth and monetisation strategy

Wolt — Helsinki, Finland
May 2025 – May 2026

Senior Manager, International Strategy & Operations

- Led turnaround of 10 priority cities across Denmark, Norway, and Sweden, delivering **~€10M incremental annual GOV (+~10%)**
- Identified and addressed performance gaps across merchant selection, churn, delivery experience, and pricing
- Designed and executed high-impact, efficient acquisition campaigns with global and local marketing teams, targeting higher-LTV customers aligned with an improved service offering

Standab — Stockholm, Sweden
Jan 2026 – Present

Advisor, Strategy & Operations (Part-time)

- Advise micromobility infrastructure start-up on business model, pricing, and expansion strategy
- Supported successful contract win in Gävle, Sweden (with Voi)
- Develop go-to-market approach and commercial playbooks for urban expansion

Voi Technology — Helsinki & Stockholm
Aug 2021 – May 2025

Senior Operations Strategy Manager

- Delivered **~€7.5M annual cost savings** across key initiatives: battery refurbishment (**€5M**) and workforce optimisation (**€2.5M**)
- Improved workforce productivity by **~15–20%** through incentive design and operational efficiency initiatives
- Owned analysis and reporting of company-wide cost KPIs (e.g., variable cost per ride), presenting monthly to CEO and executive team

Commercial Projects Manager (previous role)

- Led cross-functional teams (10–15 members) to secure operating licenses in major European cities, contributing to wins in **London, Milan, Oslo, and Vienna** (**~€20M+** contract value per city)
- Developed bid strategies and coordinated execution across product, marketing, finance, and local teams

Bain & Company — Helsinki, Finland
Aug 2020 – Aug 2021

Senior Associate Consultant

- Delivered commercial and operational strategy projects across industrials, digital platforms, and services
- Generated **~€6M revenue uplift** for **Hiab** through pricing, sales capability, and operational improvements
- Conducted **6 commercial due diligences**, including supporting **EQT** on the **~€6B Anticimex** acquisition, analysing market growth, competitive dynamics, and expansion opportunities
- Led customer and expert interviews across projects (incl. Hiab and PE diligences) to identify demand drivers, pain points, and willingness to pay, directly shaping strategic recommendations
- Supported Bain's successful pitch to **Spotify**, developing expansion strategy workstreams and working directly with **CEO Daniel Ek**

UK House of Commons — London, UK
Jun 2017 – Mar 2020

Senior Parliamentary Advisor

- Led a team of 5, supporting a Member of Parliament across multiple policy areas
- Produced briefings, speeches, and policy recommendations on complex economic and regulatory topics
- Managed senior stakeholder relationships across government, industry, and media

EDUCATION

Corporate Finance Institute (CFI)
2024

Certified Financial Modeling & Valuation Analyst (FMVA) — **98%**

University of Durham (UK)
2013 – 2019

PhD, Government & International Affairs — 2014–2019 (**No Corrections**)

MSc, Global Politics — 2013–2014 (**2nd in cohort**)
